RE: California Radomes 14 CFR 145 (BH3R397L) Capability List, Revision K

Please find attached a new revision to California Radomes (FAA 145 Repair Station BH3R397L) Capability List for your files. The revision cleaned up the list for clearer presentation and added several new, but similar to existing assembly part numbers.

Please acknowledge receipt for our records and as usual, let us know if you have any questions or concerns.

Thank you in advance for your time and assistance.

Best Regards,

A handwritten signature in black ink, appearing to read 'Friederich Teuscher'. The signature is fluid and cursive, with a prominent loop at the end.
