

CALIFORNIA RADOMES
AIRCRAFT RADOME TECHNOLOGY

May 14, 2024

TO: FAA – San Jose FSDO

C/O: John C. Caulfield / David Straughn

RE: California Radomes 14 CFR 145 (BH3R397L) Capability List, Revision M

Please find attached a new revision to California Radomes (FAA 145 Repair Station BH3R397L) Capability List for your files. The revision added 5 new part numbers. All new part numbers are radomes and fairings very similar to the ones previously approved.

Please acknowledge receipt for our records and as usual, let us know if you have any questions or concerns.

Thank you in advance for your time and assistance.

Best Regards,

A handwritten signature in black ink, appearing to read 'Friederich Teuscher', written in a cursive style.
